- Unsubsidised Ticket - £300

You can book your place now by paying the deposit of £20 per child. (You can also pay off your full amount now - see options below). The remainder can be paid in instalments over the next 6 months. At the end of every month you will be emailed a link to pay an instalment of £40 per child. There will be 5 payments of £40 to pay off the balance of your ticket. We feel like this will be the most manageable way of everyone keeping on top of payments. However, if you want to pay off your total amount remaining at any point please contact Michael and he can let you know how much you have left and take the balance left to pay.

As you are aware the cost of everything in the world has gone up dramatically and we don't want this to be a reason people cant come to Newday. So if the cost for Newday is greater then you can afford please speak to Michael or Adz and we can talk about how we can financially support you.

We love Newday and the opportunity it provides the youth. This is why as a church we subsidise every ticket. However we are offering parents the chance to pay for an unsubsidised ticket. The additional cost of this ticket will go towards everything from the food we take to paying towards a child's ticket. We don't want anyone to feel pressure to pay for the more expensive ticket but if you feel like you are able then that money will go along way.

The subsidy that King's church provide is funded by the giving of our church members, so we ask that if you are a member of another church that you pay the unsubsidised price for your child or speak to your own church to cover this. We also offer a subsidy for a second sibling, if you would like to apply for this please contact Michael at

Please read this booklet carefully. It contains the information you need to help you book in and to prepare for your trip to Newday.

### ***What is Newday like?***

Newday is a place where young people (aged 12-19) can explore the big questions of life in a low pressure setting. There's a whole load of fun - hanging out with new friends, relaxing, listening to teaching, live music and playing sports. It's a real highlight of the year, making memories you will never forget!

***Who is going?*** Loads of young people from Kings and local Churches including a fantastic team of leaders & caterers.

***Camp*** – Yes that does mean sleeping in tents, which **you will need to provide.**

If you are providing a tent, please have the bag named with clear instructions attached for putting it up. A few days before the event starts, tents and bedding will be collected down at the centre and loaded into a van. Dropping off times will be announced at the parent's meeting. It is your responsibility to make sure your tent is fit for purpose, it's complete, it's waterproof, and that you can take it down.

***Toilets*** – It's camping (but don't worry, they will flush!) Do bring your own roll of toilet paper and a torch for any night time dash to the toilet. It may be a little walk.

***Showers*** – Sometimes hot, sometimes cold. Bring a large plastic bag to shove your clothes in whilst you shower as the cubicle floor may be wet.

***Phones*** - Phones are your responsibility. We do have charging facilities in our marquee.

***Food*** - All meals (which are totally fantastic) are provided and eaten together in our marquee. All you have to do is to turn up on time, eat up, enjoy and then wash up – simple! Your plates etc will be put together at the beginning of the week so make sure they are clearly labelled with paint/nail varnish so you can reclaim them at the end. **DO NOT BRING PAPER PLATES!** If you do have any special dietary requirements please put full details on the booking form. If you don't put it on the form you will be expected to eat what is provided for everyone else.

### ***Will there be any chance to spend any money?***

There will be many opportunities to spend money such as in the bookshop and cafes but you don't have to spend any, everything your child needs for the week is covered. We do not recommend taking loads of money as we cannot guarantee its safekeeping. The same goes for all personal belongings. Please make sure that you are covered by your home contents insurance as we cannot be held responsible for any items that go missing.

### ***Wristbands***

These will be issued at the start of the event and must be worn **at all times**. There may be a penalty fee for replacement wrist bands, so they need to be taken care of.

### ***Emergencies***

Details of how to contact us when at Newday will be given out at the parents meeting.

### ***Parents meeting***

This will be prior to Newday at kings, we will try do it on a day that's most convenient to everyone. You will get to hear about the practical arrangements and have the chance to ask questions. It is really helpful if all parents attend this meeting. If you are unable to, please let us know so we can fill you in on all information.

### ***Attendance and behaviour***

As leaders we are very aware of our responsibility to ensure the safety and well being of everyone on site at Newday. There are various rules and guidelines that must be followed. These are included in the behavioural agreement which will be sent through once booked in. Please read the behavioural agreement carefully and it must be signed by the youth and their parent/guardian (even if 18) and then handed in before getting on the coach. We will send home anyone who fails keeps to his or her behavioural agreement at the expense of his or her parents/guardians. We also reserve the right to refuse attendance to Newday if an individual's behaviour has been unacceptable in the weeks running up to the event.

## ***... and a bit more information for parents ...***

***All leaders*** are police checked (DBS) and will receive training prior to the event including child protection training, which as a church we take very seriously.

### ***Travel***

We will travel by coach. Please let us know if you suffer from travel sickness.

### ***Medical info***

There is a full medical team on site, but we will also have qualified first aiders amongst our own leaders. If your child/ward is taking medication, a responsible adult can administer it if necessary. All medication taken will need to be recorded on the Booking/Consent Form, even if being self-administered.

### ***Care***

Each leader will be responsible for 6 youth. This does not mean that they stay with them for the whole day but it does mean that someone is keeping an eye out for your child/ward to make sure that everything is going well for them. The adult to youth ratio will be at least 1:6. We also have a wonderful catering team who will always give them warm welcome as they return from the activities of the day.

Newday also have a fantastic pastoral team who are always available during the morning and evening meetings if your child/ward needs pastoral care.
